

**HON**ACOUSTIC

FABRIC SWATCHES - line BASIC

Do you want to match the colour of acoustic furniture with the surroundings? It's a piece of cake with HONacoustic furniture. You can choose from a wide range of decorative fabrics from the leading suppliers of high-quality textiles that meet the criteria for flamability, ecology, acoustic and other properties. Three material lines that we have prepared for you will help you to harmonize the interior or on contrary enliven it by choosing the right colour and thus elevate the acoustic furniture to a distinctive design element of your office.

The basic line simply called **BASIC** offers simple and affordable Alba and Bondai fabrics.
